

Lisbon Coworking Market Opportunity Analysis

Research question

Which three Lisbon parishes should a coworking company study next?

The data compares all 24 Lisbon parishes (areas)

24

official parishes (areas)

67

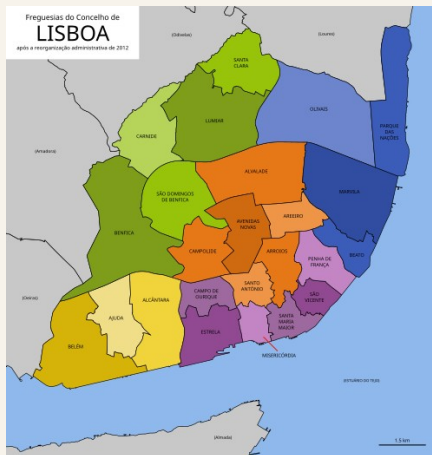

verified active
coworking locations

191

office rent listings

10

candidates with enough
rent data

24 official parishes with defined
boundaries

Public sources

- Lisbon city data
- INE Census
- OpenStreetMap
- Official coworking websites
- Public office listings (Idealista)

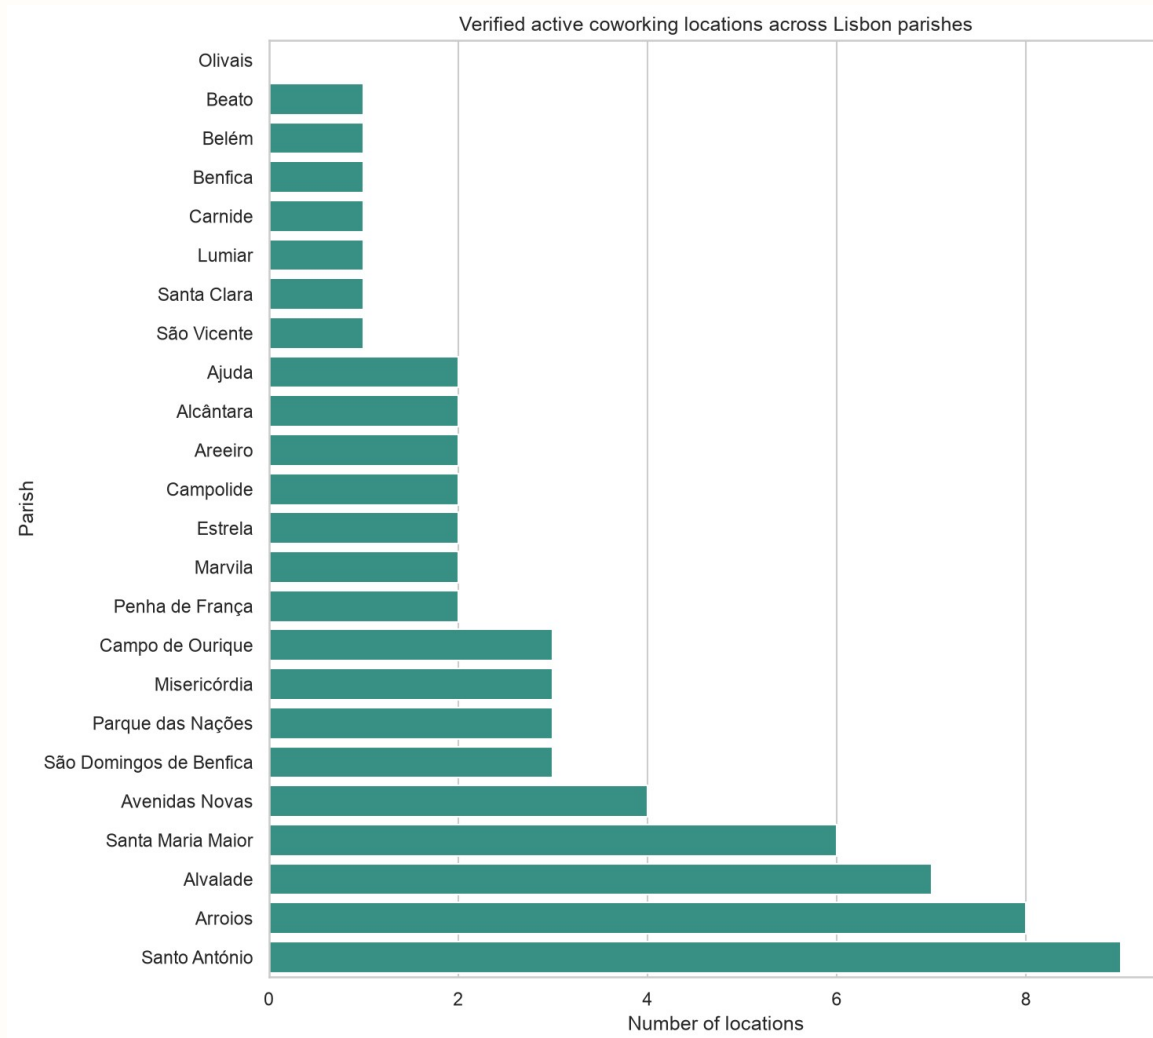

What we compare

- Demand
- Public transport
- Coworking competition
- Office rent

Rent was added after the first three-factor screening.

FINDING 1

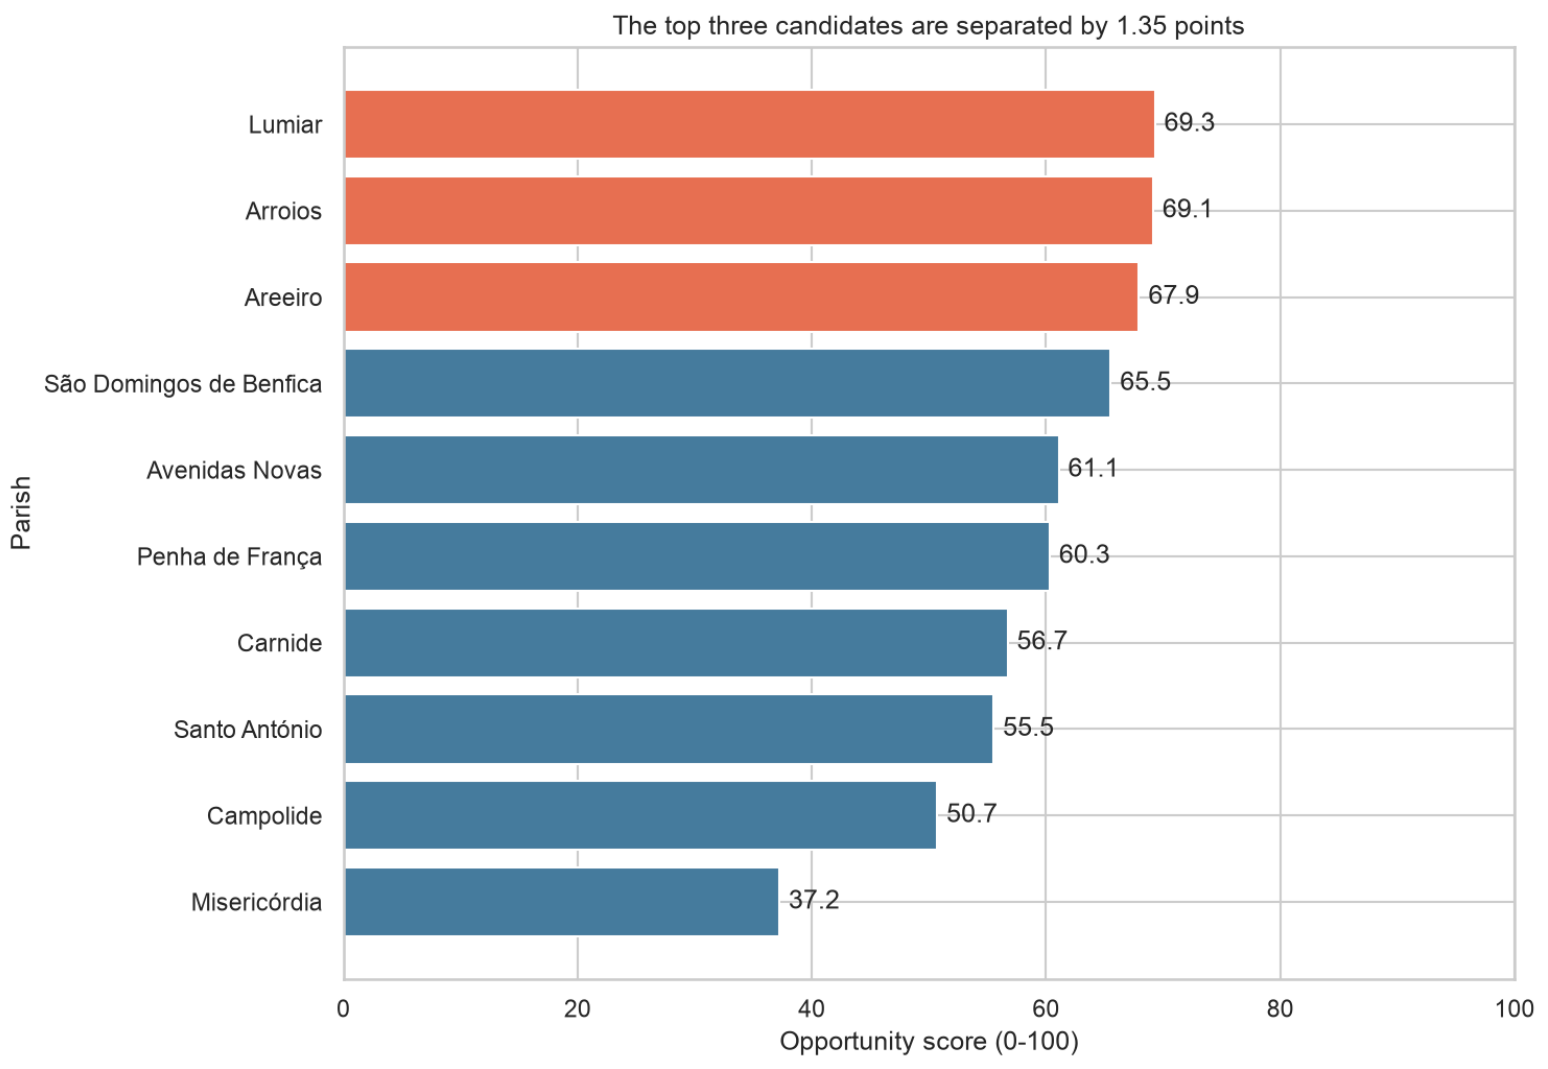

Coworking supply is uneven across Lisbon

What the data shows

- Olivaís: no verified active coworking location found.
- Top supply: Santo António 9, Arroios 8 and Alvalade 7.
- Counts show verified locations found, not a complete market census.

Three areas form a close Opportunity Score shortlist

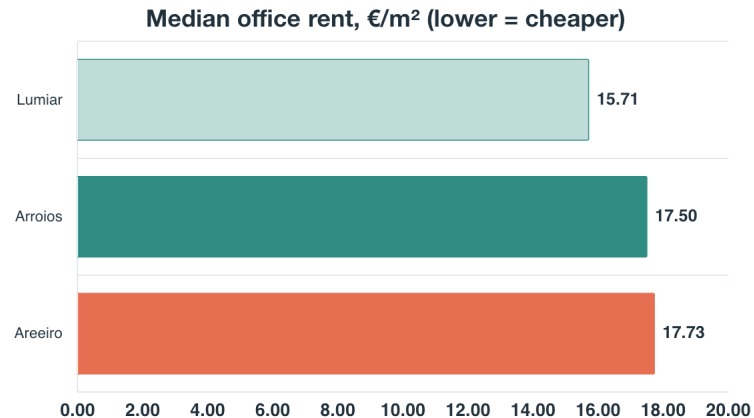

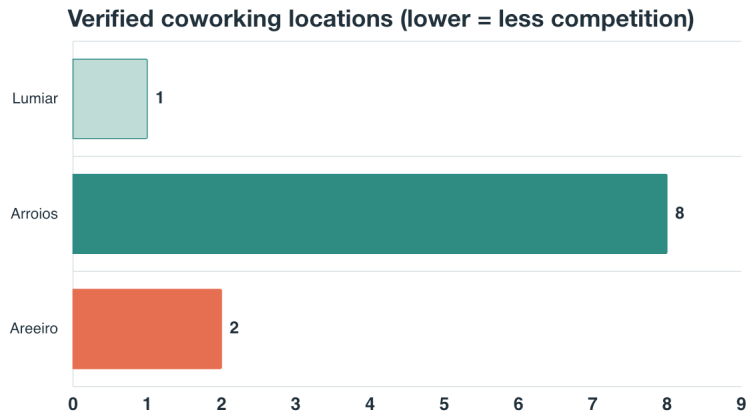

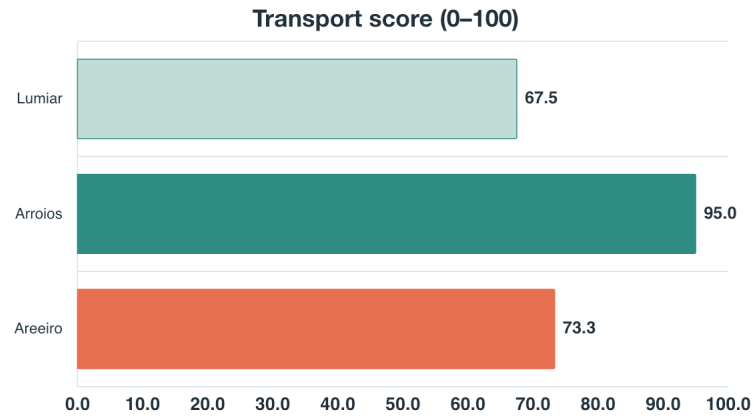

TOP 3
CLOSE
SHORTLIST
67.9-69.3

Only 1.35 points
separate Areeiro, Arroios
and Lumiar.

FINDING 3

Four measures show different strengths in each area

Three profiles

- Areeiro: balanced
- Arroios: strong demand
- Lumiar: lower rent

No area is strongest on every factor.

Areeiro offers the clearest balance

S

Situation

- Demand: 85.4 — strong
- Transport: 73.3 — good
- Competition: 2 verified coworking locations

C

Complication

Rent: €17.73/m² — highest of the three
€2.02/m² above Lumiar and only €0.23 above Arroios.

R

Resolution

Four-week site comparison

- Suitable spaces in Areeiro
- Rent, lease terms and nearby competition

Lumiar lowers rent

- S** **Rent:** €15.71/m² — lowest
Transport: 67.5 — good
Competition: 1 verified location
- C** **Demand:** 43.3 — much lower than in Areeiro or Arroios
- R** **Two-week demand check**
 - Daytime workers and students
 - Then compare suitable spaces

Arroios offers stronger demand

- S** **Demand:** 94.2 — strongest
Transport: 95.0 — best
Competition: 8 verified locations
- C** **Competition:** highest of the three
- R** **Two-week competitor review**
 - Prices, capacity and customer segments
 - Identify a clear market gap
